Police Block Attack on Soviet U. N. Building

NEW YORK, UPI — About 300 Hungarian exiles, joined by a few Ukrainians and other refugees from Communism, stormed the Soviet U. N. delegation building Friday night during a post reception marking the 41st anniversary of the Bolshevik revolution.

As many as 700 pickets, carrying signs denouncing the Soviet Union, Communism and Soviet Premier Nikita Khrushchev, marched in front of the Park Avenue mansion at one time but the crowd had dwindled to about 300 when, suddenly at 8:45 p.m., the demonstrators charged a police barricade as though on pre-arranged signal.

TWO HUNDRED mounted policemen and foot patrolmen drove the demonstrators back. The shouting, fist-swinging melee resulted in three injuries and police arrested 13 persons, including one woman.

One man was caught trying to cut a policeman's horse with a pocket knife.

A group of youths tried to break a ground floor window of the building with a pole to which a placard had been affixed but police stopped them. Others threw stones at the building but police said no damage was done.

THE PICKETS shouted "Khrushchev, drop dead" and "freedom for Hungary," among other slogans.

The Soviet diplomats and their formally dressed guests were apparently unaware of the rioting outside. Newsmen did not see a single face peek through the heavy drapes covering the windows.

Lie Detector Test Scheduled Today

David McKinley Sex, alias Delmar Speer, 24-year-old male nurse, who voluntarily confessed to the murder of a man near Victorville last October, has been turned over to the San Bernardino County Sheriff's office for a lie detector test and further investigation.

Taken to the San Bernardino area yesterday by Sgt. John Herrera and Det. Richard Harries, Sex took the investigators to the scene of the reported crime. After a long investigation at the scene, police were unable to definitely establish that the murder had been committed there.

HOWEVER, POLICE have been unable to shake the youth from his murder admission, although Sex has switched facts in some places in his story.

At the scene, he told investigators that he had covered the head of his victim with a coat, and when police found a old army

Rain, Snow, Chilly Blasts Dominate Weather Pattern

United Press International Patches of rain and snow, faced with chilly and warm blasts, today gave the nation's weather map a crazy-quilt pattern strung loosely together by a continuing trend towards colder.

Temperatures in the Atlantic coastal region dropped as much as 20 degrees Friday night, tumbling 12 degrees below freezing in parts of Pennsylvania. Near-freezing temperatures were common in the Southern Appalachians in eastern Tennessee and western North Carolina.

Fifty mile per hour gusts brought fresh blasts of cold air into the Plains area by way of

North Dakota, and the mercury dropped into the teens in parts of Wyoming. The influence of the cold movement was felt as far south as Kansas.

Falling temperatures caused snow to fall with rain in northern Minnesota, while a new storm moving from the North Pacific Coast caused rain as far inland as Montana. More than an inch fell at Hoquiam, Wash., and almost an inch at Newport, Ore.

Indian Bureau Official Resigns Appraiser Post

Robert G. Hill, Palm Springs Bureau of Indian Affairs appraiser, resigned his position Friday to become associated with Herbert H. Foster, well known local realtor and appraiser. It was announced today by Leonard M. Hill, Sacramento Area Director of the Bureau of Indian Affairs.

Foster said that the steadily increasing realty activity in the area and the increasing burden of his participation in it required the expansion of his appraisal business. "Hill's association with me will be an asset to the appraisal facilities available in Palm Springs," Foster pointed out.

Veterans' Day

Parade, Ceremony Set for Tuesday

Mayor Frank Bogert today proclaimed Nov. 11 as Veterans' Day in Palm Springs, heralding local observance of the national memorial for members of the armed forces.

The day will be marked here with a traditional parade of resort veterans organizations and ceremonies at the Plaza.

ALFRED F. PATANE, commander of the Owen Coffman American Legion Post, will deliver a Veterans' Day address in the ceremonial program at the Plaza flagpole.

Recalling the signing of the World War I armistice in 1918, Mayor Bogert noted that "Nov. 11 has been set aside as a national holiday to honor those members of the armed forces who gave their lives in defense of our American way of life."

IN HIS PROCLAMATION, the mayor urged all Villagers to "give

Army Now Takes Over Moon Probing

Third Stage Fails to Fire In Shot Today

CAPE CANAVERAL, Fla. UPI — The Air Force's last assigned moon shot ended in heartbreak today when the rocket's third stage failed to fire. The payload burned up over Africa after traveling 7,500 miles in 45 minutes.

Made more crushing by a premature announcement that all three stages fired successfully, the failure left the nation's immediate hopes of probing the moon squarely up to the Army.

THE ARMY, which has put up three satellites, has two lunar shots assigned using the basic hardware of the Jupiter missile program. The first may come next month when juxtaposition of earth and moon again is favorable.

Today's Thor-Able rocket, topped by an 86.3-pound payload, wound up acting like an intercontinental ballistic missile. It attained a comparable speed, 16,000 miles an hour, and an altitude of 1,000 miles. But an ICBM has a nose-cone protected against the terrific heat encountered in reentry. The fiberguss Pioneer II payload, lacking such protection, burned to cinders in the atmosphere over East Central Africa.

THE PAYLOAD'S fate, and the area where it burned up, were determined by an analysis of worldwide tracking information at the Air Force's space technology laboratories in California.

The story with the bitter end was released by the National Aeronautics and Space Administration (NASA), which has taken overall control of purely scientific shoots into the beyond.

AN NASA SPOKESMAN here, Matthew Portz, said an incorrect release was given to reporters 11 minutes after blastoff at the instant of separation of the third stage from the second.

In past shoots, separation has been instantaneous with ignition of the third stage. When the separation was confirmed today, the prepared release was issued saying all three stages had fired.

BUT A ONE-SECOND delay was built into today's rocket to assure a clean separation. It proved to be a fatal second.

Preparing for a "western week" program, starting Sunday with a chuckwagon breakfast at the community pool, are, left to right, Johnny Boyle, who dishes up the breakfast and leads the fun; Elliott Caplow, vice president of the Rancho Mirage Chamber of Commerce; Emma Jane Ames, chamber secretary; Don Cameron, chamber president, and Ace Spriggins, who appears to be literally "roped in." Sun Town Deluxe

Hawaii was well represented here at SunTown Saturday night at the Costume Ball. However, many exciting and hilarious "get ups" delighted the more than 200 who attended the gala celebration. All costumed guests joined the grand march, after which by applause the winners of the cleverest costume were chosen. This proved to be Harry and Ruth Nelson in authentic Hawaiian gear.

THE NELSONS have just returned from Hawaii and with their friends put on two Hawaiian dances. Those who gave the enjoyable performance included the Nelsons, Mr. and Mrs. W. G. Updyke, Mr. and Mrs. L. A. Arnell, Mr. and Mrs. Walter Bernard, Mr. and Mrs. H. W. Wills and Mr. and Mrs. Forsberg of Los Angeles.

Mr. and Mrs. Cyril (Fuzz) Ralph entertained 25 guests in honor of three couples, Mr. and Mrs. Lynus Nelson, Mr. and Mrs. Fred Harnden and Mr. and Mrs. Emory Harnden, former residents of SunTown. It was noted by one of the guests, Rudy Campbell, that of the 25 guests only two native Californians were present with 13 states being represented and three foreign countries.

PARTIES WERE certainly the fashion for this week. One of the most enjoyable was a surprise party given Sunday for Arno Gliddens, long time resident of SunTown Deluxe. Over 50 gathered on the patio of the Gliddens to sing birthday greetings and "For he's a Jolly Good Fellow." Alvin Evans had baked the enormous birthday cake which was served with coffee.

Dr. Mellus gave an appropriate poem and an afternoon of congratulations was enjoyed by the Gliddens, Mrs. Peterson and all the many friends who attended.

THE DO-IT-YOURSELF group is enjoying Monday night dances. All who enjoy pattern and round dances in the participating parks are invited by this group to join them.

A Salton Sea adventure was enjoyed by a large group of Sun-Towners Monday.

Skyridge

Approximately 75 attended the party given in the clubhouse of Skyridge Thursday. A large committee of ladies of the park helped with refreshments of cake and coffee.

Recently welcomed to the park for the fourth season were Mr. and Mrs. Bert Zaars.

THE LADIES LUNCHEON has proved to be a great success, with approximately 36 attending this past week. Chairmen of the committee include Avis Ball, Sally Glass and Maudine Mundell. This week's hostesses also included Mary Harrison, Teresa Milam and Maudine.

Get-togethers are frequent in this friendly park. This past week a number of the men of the park took a trip to Whitewater for an enjoyable fishing trip. The idea came from Herman Ritzer and Vern Morrow.

JANET DAVIS is enjoying her new mobile home, as are Mr. and Mrs. Will Chandler, who now have a ten wide.

Shuffleboard is going great here. George Trimm is the captain for the Men's team and Lorraine Smith of the Women's. Tuesday the mixed doubles are played. The Hancocks enjoyed a visit from their son and wife, Mr. and Mrs. William Hancock, and their grandchild, Bill.

Beckleys

Lee and Sylvia Stobel recently visited their daughter, Constance, in Los Angeles.

Returning to Beckleys are Bill and Freda Newton, who just enjoyed London, Ontario, Canada.

Veda and Frank Flowers are back in the park after some time, returning from Encino.

NEW RESIDENTS to Beckleys are Mr. and Mrs. Vernon Saubels, Dr. and Mrs. Saumann, Mr. and Mrs. Melvin Osters, Mr. and Mrs. Merle Hoffelt from Sacramento, Mr. and Mrs. Roy Hoover from Huntington Park, Mr. and Mrs. Doug H. Merchant from Yucaipa, Mr. and Mrs. C. H. Meleer of Riverside, Mr. and Mrs. John Johnson and niece from Tarzana.

PLANNING ON TAKING a three day trek to Death Valley are Mr. and Mrs. Charles Church and Mr. and Mrs. Volle Tripp. This is an excursion which hundreds attended each year.

The Tripps are taking Ben Beckley's new plastic trailer because of its easy-to-handle weight and other advantages. Mr. Beckley invented the plastic trailer himself.

Prairie Schooner

Helpers and chairmen of the Hobby Show for Prairie Schooner were Virgil and Mary Rockhold, with the assistance of Don and Rose Hagen. Prairie Schooner had a splendid display. A first prize award was given Mary Rockhold for her rock exhibit and a second prize was given for jewelry. Isla Peter also took a second prize on copper work.

Prairie Schooner Lodge was the headquarters for the Long Beach

Trailer Club. There were quite a number in this club who stayed a full two weeks, and approximately 60 of them met at Uncle John's Saturday morning for breakfast with Wilson and Beula Hall, managers of Prairie Schooner as their guests.

NEW RESIDENTS of Prairie Schooner Trailer Lodge are Mr. and Mrs. Lysle Murren of Cannon Beach, Ore., Mr. and Mrs. Arsene Berube of Dartmouth, Mass.; Mr. and Mrs. R. E. Heaward of Pasadena; Mr. and Mrs. Fred Stewart of Seattle, Wash.; Mr. and Mrs. D. J. McAllister of Alameda; Mr. and Mrs. E. Carboneau of Everett, Wash.

Also Mr. and Mrs. Fred Dunn of Riverside; Mr. and Mrs. A. W. Shanafelt, Mr. and Mrs. Frank Lawry of Long Beach; Mr. and Mrs. C. J. Meeker, Mr. and Mrs. F. H. Kelly of San Bernardino; Mr. and Mrs. Fred Parrott of Phoenix, and Mr. and Mrs. Conrad Weber.

RETURNEES INCLUDE Mr. and Mrs. Arthur Coffey and J. V. Date who spent the summer in Northern California attending several get-togethers of the Imps Trailer Club and visiting their families and friends.

Just returned are the Ernest Millers. They have been to the northern part of Washington, where they finished their summer cottage at LaConner. There they enjoyed clams, crabs, shrimp and also caught salmon at the noted fishing resort called Hope Island.

THEY ALSO SPENT several weeks in the hills between Monroe and Sullivan where with two partners worked claims. The wives were hard at work cooking for the enormous appetites of their men. The Millers, however, were glad to return to Prairie Schooner and greet their friends and Mr. Miller's sister and her husband, the Farrells, who also live here.

Sixty-one guests enjoyed a birthday dinner given here at Prairie Schooner the past week. Ludyne Selwyn, assisted by Jo La Count, Bessie Newhall, Bobbie Abshire, Nadine Brady, Millie Clark, Mary Rockhold and Mae Hill, served a hot dinner.

All who had birthdays in October and November were honored at this occasion. Several games were played, and Russell Farrell won the door prize of a brass torch light for the patio.

George Meredith furnished the stereophonic music for the dinner hour and also for dancing which followed.

Councilman Asks Cleanup of Trash On City Streets

City Councilman George Beebe recently returned from a trip to Europe, yesterday told his co-workers and the city administration that Palm Springs "was probably in the dirtiest condition I have ever seen," and told the administration to "get tough and enforce anti-litter laws."

He was particularly speaking of Palm Canyon Drive, which he said was littered with "papers, beer cans, whisky bottles and boards, and it doesn't look good on Palm Springs' main thoroughfare."

City Manager Robert W. Peterson told the council that there had been a lot of city cleanup lately by city crews, and administrative assistant Richard DeLong reported that the Chamber of Commerce was initiating a city-wide cleanup campaign which would be headed by Harold Hicks.

Beebe pointed out that during his trip in Europe he particularly noticed the little towns that he visited in Belgium and Luxembourg, "and the cleanliness of them would put Palm Springs to shame."

City to Confer With Engineer

Palm Springs city administration this week was directed by members of the City Council to set up a special meeting with State Division of Highway Engineer C. V. Kane in San Bernardino, so that they could discuss the interim development of North Palm Canyon Drive with him.

Following a meeting between Kane, Mayor Frank Bogert and City Manager Robert W. Peterson on election day, the mayor reported that the state would "not force a freeway through Palm Springs, but may consider turning Palm Canyon Drive into a one-way street to relieve future traffic congestion."

MEMBERS OF THE City Council have many times expressed their feelings against the turning of Palm Canyon Drive into a one-way street, but at the same time also have been against the construction of a freeway or expressway through the resort town.

Kane said that he was aware that Palm Springs did not want a freeway through town, but said that some means must be found to relieve the ever increasing traffic problem on the local state route.

THE STATE ALSO reported to the city representatives that newly planned highways from the Imperial Valley to the south and from the east would run north and east of Indio, and trucks would find them more suitable for traveling than the proposed freeway through the desert resort area.

Four hundred million dollars worth of records were sold in the U.S. in 1957, compared with five and a half million dollars worth in 1933.

Heaviest objection from local residents to the new freeway route is possible noise and gases from truck traffic.

Lampkin Starts Training With Westinghouse

PALM DESERT—Lyle Lampkin, son of Gene Lampkin, and who recently graduated from King's Point Academy in New York, has been selected as one of eight boys to train with the Westinghouse Company in Pittsburgh, Pa., to become a nuclear power plant test engineer.

The course which lasts from three- to five months includes two weeks actual experience at various plants where nuclear tests are made. The boys then return to the base plant in Pittsburgh for their final training before being assigned to their division of control.

City Approves Photographing New Sewer Lines

Palm Springs City Council has tentatively approved the taking of pictures from inside the new sewer line, to determine whether the line was built according to specifications and to "take a look at any cracks that might be apparent in it."

Trouble over the new sewer line has been a deep concern of the council, and the members will not accept the job until they can determine whether or not there are faults in it.

Councilman Leonard Wolf is heading a committee looking into the construction of the line, and on the committee is B. O. Smetzer, field engineer, Pacific Clay Products, Los Angeles. He is the one who proposed the photographic process of the lines.

NOTED CHEF STEPHEN YANKOWICH, newly appointed executive chef at Palm Springs' Chi Chi, gives the famed Yankowich touch to a culinary creation in the nitery's spacious kitchen. (Bill Bradford Photo).

Stephen Yankowich Named Executive Chef at Chi Chi

Chef Stephen Yankowich, rated one of the desert resort city's all-time culinary greats, has been appointed executive chef of Palm Springs' beautiful restaurant-night club, the Chi Chi.

Chef Yankowich comes to the Chi Chi direct from San Diego's exclusive Kona Kai Club, but has never been away from his first love, Palm Springs, for long during the past decade or so.

A CREATIVE CHEF, with a flare for new and exciting dishes, Yankowich's talents have brought an international reputation for fine cuisine to the famed spots he has served.

Polish born, Yankowich first came to the Palm Springs area as the head chef of the noted Shadow Mountain Club. This was after he had become indoctrinated in the culinary arts at the Canadian Pacific Hotels, an association that included 13 years as master chef.

JUST PREVIOUS to his Shadow Mountain Club appointment, he spent one year at the Banff Hotel at Lake Louise and two years at the Empress Hotel in Victoria, British Columbia.

President Benjamin Harrison maintained a summer home on Second Lake in the Adirondacks of New York State during the 1880's.

Some of his outstanding assignments were a five-year sojourn at the Thunderbird Country Club, a one-year stint at El Mirador Hotel and a two-year berth recently concluded at the Kona Kai Club.

YANKOWICH REGARDS his most colorful and memorable assignment as the nine months he spent as head chef on J. P. Morgan's yacht, the Corsair. This was after the yacht was converted into a commercial passenger vessel sailing from San Pedro to Acapulco and Alaska.

The nautical job, his first employment in America, came after he served a two-year enlistment in the Canadian Army. He organized new kitchens, trained cooks and was kitchen supervisor for the Basic Command.

The Community Chapel was filled to overflowing at the dedication services Sunday and at the covered dish luncheon which followed.

Visitors at the Dick Maher home on Sunday were Dick's brother and sister-in-law, Joe and Dora Maher of Anaheim.

Everybody had a wonderful time at the anniversary and birthday party at Sid and Ann's Wednesday night. There were gifts and flowers, lots of music and singing and a buffet, including a birthday cake for Joe Kelly.

Out for the weekend at the home of the C. W. "Joe" Emersons was C. W. "Joe" Emerson Jr., who is stationed in San Diego with the Marine Corps.

Brice and Gloria Smith and small son, Douglas, arrived last week with their trailer, from Tampa, Fla., for a visit with Brice's brother and family, the Phil Smiths.

Gary Donaghue entertained a group of school friends at a patio party, Saturday evening in honor of his eleventh birthday. After games, birthday cake and ice cream, Gary's father took the following little boys to the Elks Circus in Palm Springs: Gary and Eddie Donaghue, Skip and Johnnie Gunn, Tommy Lee Briggs and

Butch Reich.

Guests of Al and Mattie Jackson of the J and J Ranch, last week were Mr. and Mrs. James G. Martone and Miss Rittman of Montebello and Mr. Mott of Norco. The Martones are building a home here and expect to be permanent residents after the first of the year. Saturday evening this group observed the birthday of Miss Rittman.

"Who Are These UNITARIANS?"

Unitarians believe the striving to live nobly and constructively more important than the accepting of religious creeds. Unitarians are convinced that religious truth cannot be contrary to truth from any other source.

Unitarians offer a religious program for children and adults of all cultures, with reason as our guide, and service as our aim. Unitarians believe that the great end in religious education is, not to stamp our minds irresistibly on the young, but to stir up their own.

LaHabra First In Contest
 La Habra Junior Woman's Club of La Habra, California, is the first club in the state to enter the newly launched 1958-1960 Community Achievement Contest of the General Federation of Women's Clubs, according to an announcement by Miss Chloe Gifford, GFWC president, from Washington, D. C. where the club's entry has just been received.

Mrs. Douglas Small, president of the 60-member club, sent in the official entry card indicating her club's intention to work for community improvement and to submit a scrapbook report on its achievements by March 1, 1960. Mrs. Ralph Pallett will serve as the club's contest chairman.

There are 841 federated women's clubs in California with a total membership of 75,189. In the previous Community Achievement Contest, completed in June 1958, 291 California clubs participated. The two state winners which entered the national competition as finalists were the Cucamonga-Alta Loma Club and the Women's Club of Bakersfield.

In California, the new contest will be under the direction of Mrs. Emanuel T. Goetz of Los Angeles, state contest chairman. Mrs. Arthur E. Cron of San Diego, is a member of the policy committee for the contest at the national level.

One club will win a top national prize of \$10,000 and others will share in the total of \$65,000 in prizes offered by The Sears-Roebuck Foundation, co-sponsors of the contest with the General Federation. All 15,000 United States member clubs of the GFWC, as well as its overseas affiliates, are eligible to enter.

IN AN AUTUMN SETTING a tea at St. Paul's in the Desert Church Wednesday afternoon was a preview of handicraft that will be on sale at the Harvest Bazaar on November 22. Pictured at the tea, from left, are Mrs. Charles B. Wilson, Mrs. James H. Anderson, Mrs. Keith A. Herbert, and Mrs. A. H. Nehl. Mrs. Wilson and Mrs. Nehl were co-chairmen of the tea. Preview Hand Made Items For Harvest Bazaar Sale

A Preview Tea in the parish hall of St. Paul's in the Desert Episcopal Church Wednesday afternoon gave the women an advance look at some of the articles being made for their Harvest Bazaar, November 22.

Co-sponsored by the Guild and the Service League of St. Paul's, the tea featured the country harvest theme planned for the bazaar. Table arrangements of colorful oak leaves, with fall fruits and vegetables, set the mood for the afternoon.

Invitations had requested that each guest bring several items already completed for the bazaar, and this handicraft was displayed throughout the parish hall. "We had no idea how much was being done," said Mrs. Charles German, a member of the Harvest Bazaar coordinating committee, "but we found we needed extra tables just to show the items brought to the tea. Of course," she added, "this doesn't mean any of us should stop working from now until the 22nd."

The coordinating committee, consisting of Mr. and Mrs. Wayland Reynolds, Robson Chambers, and Mrs. German, plan to play up the old-fashioned, general store atmosphere at the Harvest Bazaar. Homemade food will be sold from a country kitchen, complete with cracker barrel and pickles in brine. Handwoven household articles, such as aprons and potholders, will be displayed informally around an old pot-bellied stove.

All the organizations within St. Paul's, the Guild, the Service League, the Men's Club, the Young People's Groups, and the Altar Guild, are working together toward the Harvest Bazaar.

Barbecued Dessert

Fruit kabobs make a tasty "barbecued" dessert.

Prepare a marinade of 1 cup pineapple juice, 1/2 cup maple syrup, and 1/2 teaspoon chopped mint. Add 2 bananas cut in cubes, 2 unpared, wedged apples, 6 halved peaches, 1 cubed fresh pineapple, and 1 grapefruit cut in segments. Let fruit stand in marinade for 30 minutes.

Preheat grill or griddle. String fruit on 6 metal skewers, alternating fruit sections. Brush grill with melted butter, and grill kabobs for 5 to 8 minutes until fruit is lightly browned. Baste with marinade. Serve hot.

A home freezer should be completely defrosted and cleaned at least once a year. A good time is in the fall. When defrosting, also wash and dry exterior thoroughly. Then check for rust, scratches or breaks, and apply quick-drying enamel.

Band Concert To Be Repeated This Evening

"Symphony in the Sky" is the title of the band concert which was presented this afternoon in the new Palm Springs High School auditorium and will be repeated there this evening starting at 8:30 p.m. by the United States Air Force Band and the Singing Sergeants. The event is a benefit sponsored by Kiwanis Club of Palm Springs.

Robert Paxton, general chairman, says that the program planned for the personal appearance of the USAF Band under the direction of Col. George S. Howard has been arranged to include symphony and swing, opera and bebop. In addition to the Singing Sergeants there are several outstanding instrumental and vocal soloists.

Some of the selections on the program in the "Symphony in the Sky" concert will be the "1812 Overture," sections from "Carousel," "Death Valley Suite" and "The Most Happy Fella." The "Stars and Stripes Forever" and "Colonel Bogey" marches, Ravel's "Bolero," "Spanish Holiday," "Granada," "L'Arlesienne" to name just a few.

All net proceeds from this event will go to Kiwanis charity work in this instance the Boy Scouts of America Troop 77.

Easy Rolls

Looking for a quick and easy way to make yeast rolls? Mix 2 1/2 cups of prepared biscuit mix into a yeast mixture, made by stirring 1 package of active dry yeast into 3/4 cups of warm water. Beat the biscuit mix in vigorously, and turn the dough onto a surface well dusted with biscuit mix. Knead until smooth (about 20 times). Shape into rolls, place on a lightly greased baking sheet, cover with a damp cloth and let rise in a warm, draft-free spot, for about 1 hour. Bake at 400 degrees for 10-15 minutes, depending on the size of rolls. Brush with butter after baking.

Modern Cooks Discover Grandma's Coffee Mill

One of Grandma's oldest do-it-yourself projects seems headed for a comeback.

The project? Grinding your own coffee. Grandma did it because there was no other way. Her grocer had never heard of coffee vacuum - packed in tin or glass. Grandma's modern counter part, however, is grinding her coffee for a different reason. She's found that the process offers some advantages not available in the pre-ground varieties.

Briefly, these advantages can be summed up in four words: extra freshness, extra flavor. Naturally enough, the extra flavor or bonus is a by-product of the extra freshness. And the exceptional freshness is due to this amazing fact: when it comes to inventing airtight, flavortight containers, old Mother Nature is the craftiest designer around!

Mother Nature's container is a simple one. It's the coffee bean itself. Actually, it's really just a seed - the seed of the coffee tree. When the coffee berry is ripe on the tree, it's almost a cranberry color. After it's picked, washed, sun-dried, and hulled, it's green in color.

Even after the coffee bean is hulled, there's still a delicate, semi-transparent, closely adhering jacket called the "silver skin." Within that silver skin, the bean is a honeycomb of thousands of tiny airtight cells, each one containing the aromatic oils that are brought to perfection during roasting. Once the coffee bean is roasted, those oils are ready to go into solution in water. They're the part of the bean that actually puts the flavor into your coffee cup. But here's the secret: Those flavorful oils can't possibly get loose to do their job until the coffee is put through some sort of grinder.

The result? Well, the longer those coffee beans are stored without grinding, the longer those soluble aromatic oils are preserved. The longer the oils are preserved, the longer the coffee retains that wonderful coffee flavor. And that, to get back where we started from, is why Grandma's do-it-yourself project - grinding your own coffee - is coming back into vogue.

Unfortunately, for those who want to adopt this "back-to-fundamentals" way of making super-fresh coffee, unground coffee beans are not available everywhere. You'll find them in a few scattered food specialty stores, but your best bet is to try the big supermarkets. Some of them make quite a specialty of providing rich blends of roasted coffee beans which they sell packaged in specially treated paper bags. And here's another plus: you don't have to pay for a vacuum tin or for the cost of processing and packing ground coffee. That means you actually get Grandma's super-fresh do-it-yourself coffee at less than you ordinarily pay for pre-ground, vacuum-packed coffee.

What, you say you haven't got Grandma's old hand-powered coffee mill? It's no problem. Since the re-awakening of interest in grind-it-yourself, several manufacturers have put handsome new hand grinders on the market. If you're plumb wore out, you can get one that's powered by electricity.

If, on the other hand, you don't feel like shelling out your hard-earned cash for either kind of home grinder, the same supermarket that sells you the beans provides easy-to-work automatic coffee mills. All you do is dump the unground beans into the hopper at the top,

Pink El Mirador... that has the gay feeling of a birthday cake... will be welcoming back old friends and making new ones Sunday... as it holds the first of its popular Sunday Brunches... Now in its sixth season... the Sunday Brunch is a Palm Springs institution... For some it's a wonderful way to entertain houseguests... for others it's a place to go for conviviality after church services... or after a morning ride... for everyone it's a happy get-together beginning a new week... Starting originally as a brunch for western clad, early riders... the first brunches were held in the Kiva Room... with Tex Kidwell playing and singing... The Brunch long since outgrew the Kiva Room and the Starlight Patio... and took over El Mirador Room... but Tex Kidwell still presides over the festivities... and Billy Allen's orchestra will be playing Sunday noontime...

Chef Gerhard Knaack with his white chef's cap at a jaunty angle... will be presiding over the extravagantly beautiful and luscious brunch tables... that are so frustrating for the diet-conscious... And you won't need a guest list... just everyone will be there... plus some of your friends you didn't know were here yet...

Wrenn Tevis (social chairman for Eldorado Country Club) has a well-rounded social season mapped out for the months ahead... with cocktail parties and dinner dances predominant... Wrenn's husband polo - playing Will Tevis is president of the Eldorado Polo Club... and this week announced the following charter members... Larry Taylor, Peter Hitchcock, L. C. Smith, H. Willis Allen... Ted Pierce, Louis Benoist, Erwin Ariz, John Gallois, Morris Morrison... Frank Yuria, Ed Janz, Ed Haas, Bob Haynie and Will Tevis...

The noted whodunit author... creator of Perry Mason... Erle Stanley Gardner was in a party attending the Player Stage production of "Will Success Spoil Rock Hunter?" which is at El Paseo theatre... closing tomorrow night...

The famous author commented as he left the theatre... "Even though it wasn't a mystery... I still loved it..."

At ten o'clock in the morning Parliamentary law class for all Southern California chapter regents and representatives will be conducted by Mr. Clyde V. Prouty of Milly Barrett Chapter, Miss Margaret Wilkins of Pasadena Chapter will manage the class.

Members of San Vicente Chapter, Mrs. Bennett E. Her, regent will be hostess for the day. State chairmen scheduled to speak to the council include Mesdames: Harry D. Neely, honor roll; William R. Saenger, Children of the American Revolution; D.

L. Young, conservation; John J. O'Donnell, civil defense; John C. Strosky, historic spots of California; Otto N. Rugen, friends of the museum; Frederick R. Bliss, conference exhibits; Clyde V. Prouty, national defense and Earl F. Giberson, Mrs. John J. Champieux, D.A.R. state regent, will preside over the instruction session beginning at eleven o'clock in the morning.

Mr. Mattson heads the society which maintains a genealogical library on South Hope Street, Los Angeles, which has been of great aid to D.A.R. in its effort to obtain a complete history of each county in the state of California.

Of interest to all Californians will be the reports by the chairmen of national defense, civil defense and conservation. Primary objects of the national defense committee are educational and patriotic and serve to alert all people to any situation which holds potential danger to our United States Republic; to develop interest in national affairs and to stimulate construction action in support and preservation of the Constitution of the United States of America. Education of youth in American citizenship are of supreme importance, consequently this committee has inaugurated the "Good Citizenship Medal" for chapters to present to boys or girls "who by their personal acts and attitudes have proven themselves the most outstanding citizen in their graduating class of elementary, junior or senior high school." Four thousand, two hundred and thirty-four of these medals were awarded throughout the United States in 1957.

Diamond Motif in Ball Decor

J. C. Ettles, who have been working for weeks getting ready to hostess social events arranged for the State Board meeting of California Junior Chamber of Commerce, which is bringing around 2,000 Jaycees and their wives to Palm Springs this weekend, have revived the Desert Circus theme of Denims and Diamonds. They will be wearing western costumes of denim with Palm Springs hats and are using the diamonds as decorations for the Ball that will be held this evening in the Palm Springs Playhouse.

Glamor - glitter will decorate the Playhouse for the festive affair, with huge diamond plaques, some as large as eight feet across, foil-covered to reflect the lights, will hang overhead. A mural of Palm Canyon Drive adorns the wall back of the bandstand, and one of the shop signs read "Gems for Femmes." Shadow boxes, painted charcoal, hold white-sprayed manzanita and candles will glow in fishbowl holders. Arriving guests will enter the Playhouse through a glittering archway, a "diamond horseshoe."

Another facet of the weekend entertainment was the fashion show luncheon at Desert Inn this noontime, when the luncheon crowd had a first look at the Holiday collection of Lanz of California. Featured was a red wool crepe dress that was an award winner at the World's Fair in Brussels. The luncheon was catered by Pappy Landfield, and was served in the Inn's beautiful diningroom.

Roz Bronstein, convention chairman, was assisted by a large committee including: Norma Huffman, decorations; Lois Schlect and Betty Muhleck, Hospitality Room; Ruby Allen, registration.

PALM SPRINGS WELCOMES the United States Air Force Band today in its first visit to the resort area. The world-famed musical organization, which includes the "Singing Sergeants" chorus, is appearing in two concerts today at the Palm Springs High School auditorium. The first concert was a matinee program. The second

begins at 8:30 p.m. Directed by Col. George S. Howard, the Air Force Band has toured four continents to win world-wide acclaim. The band's appearance here is sponsored by the Palm Springs Kiwanis Club for the benefit of the club's Boy Scout Troop.

Double Debut

Max Reese's 'Hail California March' To Be Performed Here by AF Band

Saturday's Air Force Band concert here marks a double debut for Palm Springs and brings new honors to Village composer Max Reese.

Reese, veteran Hollywood screen orchestrator, is the composer of the "Hail California March," which he hopes will be adopted as the state's official march and played at the new governor's inauguration.

TOMORROW, VILLAGERS will hear both the Air Force Band and the "Hail California March" for the first time in the resort area. Reese reported today that the band will play his march at its matinee performance in the high school auditorium. Furthermore, he noted, the famed "Singing Sergeants" chorus will sing the lyrics to the march.

"I INTRODUCED the march to the band's conductor, Col. George

S. Howard in Arlington last Saturday," Reese explained.

Colonel Howard was so impressed by the composition that he agreed to play it tomorrow and have the chorus sing its lyrics, according to the composer's wife. "Max wrote the march on his 50th birthday," Mrs. Reese said, "and dedicated it to the State of California."

MRS. REESE SAID she hoped

Governor-elect Edmund Brown, now resting in Palm Springs, will attend the matinee to hear the composition and, perhaps, "he may like it well enough to have it played at his inauguration."

Fagaly and Shorten

Indians Edge Broncos, 20 to 19

PALM SPRING HIGH SCHOOL students, as a part of the physical education course, learned all about golf, and this week toured the O'Donnell Golf Club to see how golf was played. Groups of 15 to 20 boys were taken to the golf club by the instructors at one time, until all the students had attended. The trip to the golf course was

preceded by classroom instruction in the rudiments of golf. Palm Springs, now the Winter Golf Capital of the World, is one of the first cities to have complete golf instruction for its high school students, and soon, the local school hopes to have its own golf practice range. (Desert Sun Photo).

Coming out after intermission with a 19 to 6 deficit Palm Springs High School Indians rared back in the second half to nose out Banning 20 to 19, last night there.

The good toe of Joe Lewis was the difference. His two conversions, on the Indians' first and second touchdowns turned the trick.

BANNING'S BRONCOS started out as if to clobber the Tribe but good.

They scooped up an Indian fumble on the opening kickoff and were six-nothing ahead in seven plays. They went for broke to get the two points but failed.

The Indians had their back to the wall the remainder of the quarter and just before the gun, Banning added another TD. The conversion was good and Banning led 13-0 when the second period opened.

TAKING A PUNT on their 37, the Indians with Gary Easton and Cleo James carrying the load, boomed over to make it 13-7 with four minutes. Lewis split the up-rights on the conversion.

The Broncos came right back and made it 19-7 at half time. The Indians again blocked a try for two points.

IT WAS DIFFERENT in the second half. Coach Clare Balogh's boys came out mad.

The pattern of the first half was reversed. Banning bumbled the kickoff and Palm Springs recovered.

In six plays, James was over with the TD and again Joe Lewis found the target to make it 19-14. Banning fought hard but the Indians had the taste of victory and came back booming.

IN THE FINAL period an intercepted pass paved the way for the winning score.

LeRoy Segundo ran over for the six points that put the Tribe ahead 20-19.

The conversion attempt failed but it didn't matter as the Indians contained Banning after that and when they got the ball, ran out the clock.

IN OTHER GAMES in the Riverside County League last night, Beaumont bopped hapless Elsinore 46-19 to go into a three-way tie for second place with Palm Springs and Banning.

Coachella's Arabs made it five straight by beating San Jacinto 20-7 and seem assured of the championship and Hemet scored twice to defeat Perris, 12-0.

LAST NIGHT'S score by quarters at Banning:

Palm Springs 0 7 7 6-20
Banning 13 6 0 0-19
Palm Springs scored: TDs—James, 2; Segundo, 1; PAT, Lewis, 2.
Banning, TDs—Peloris, 2; Whitman; PAT, Wallace.

Big Question—Who'll Take Casey's Place?

By OSCAR FRALEY, United Press International

NEW YORK. (UPI) — Fearless Fraley's facts and figures: Lee MacPhail's switch to Baltimore moved Jerry Coleman solidly in to the heir apparent's role to succeed George Weiss if and when he steps down as New York Yankee general manager but the jockeying continues as to who eventually may succeed Casey Stengel.

Ralph Houk, being on Stengel's staff, seemed to have the inside track. But Weiss takes an ever tighter grip on the Yankee reins and he is known to think highly of El Lopat. . . then, too, he and Stengel aren't the greatest of pals despite all the sunshine and

Yeomans Wins Way Into Third Round of Seniors

By EARL WRIGHT, United Press International

The National Football League, the nation's fastest growing professional sport, figures to set a crowd record Sunday for the second straight week by attracting nearly 350,000 fans in its six games.

The New York Giants, 2½ point underdogs, expect a record home attendance of about 70,000 for their Yankee Stadium clash with the undefeated Baltimore Colts.

The Browns, leading the Eastern Division, also expect about 70,000 for their game with the Detroit Lions at Cleveland.

AT LOS ANGELES, the Rams have erected temporary bleachers in the huge Coliseum and are preparing to set 105,000 for their game with the San Francisco Forty-Niners. The same two clubs set an all-time NFL attendance mark of 103,368 when they met last season.

The Chicago Bears, who trail the Colts by two games in the Western race, expect their usual capacity throng of 48,500 for their Wrigley Field game with the Green Bay Packers.

The Chicago Cardinals play the Redskins at Washington and the Eagles entertain the Pittsburgh Steelers at Philadelphia in the other games. Even if these two games only average 25,000 fans, the league appears virtually certain to top the six-game record of more than 295,000 paid it set last week.

NEW YORK, 4-2, was a 10-point underdog last Sunday when it upset Cleveland 5-1 and tightened the Eastern race. If the Giants upset the Colts and the Lions 14-1 surprise the Browns, New York and Cleveland will be tied for the Eastern lead. If the Giants win and the Bears 4-2 defeat the Packers 14-1, Baltimore will be only one game in front of the Bears.

The Browns are favored by 9 points, the Bears by 14, the Rams by 7, the Redskins by 3 and the Eagles by 1½.

First Round—Ed Yeomans d. Alfred Miller, 6-0, 6-1; Jack Frost d. George Goman, 15-13, 6-3; Francis Gray d. Bill Hollingsworth by default; Amos Ott d. Frank Chilton, 6-4, 6-2; Bob Abbot d. John Kriska, 6-4, 6-3; Bill Robertson d. Martin Cornica, 6-0, 6-1.

Second Round—Ed Yeomans d. Alex Jablow, 6-2, default; Bill Robertson d. Bob Abbot, 6-2, 6-1.

First Round—Bob Kelleher and Jess Millman d. Bernard Brown and Martin Cornica, 6-0, 6-1; Francis Gray and Cliff Robinson d. Roger Williams and Alfred Miller, 6-0, 6-1.

JIM WILLIAMS of the Marietta, Ga., Country Club, is being billed as probably the lightest pro in golf. Five feet, eight inches, Williams with his cleats on scales 120 pounds. But he's proof that you don't have to be a bruiser to be a fine player. Jim once shot eight birdies in a row to tie Ted Kroll's PGA record.

Leahy, the former Notre Dame coach, was telling about the time Dan Shannon, a great Irish defensive end, was knocked out on a third down play against Oklahoma. Oklahoma prepared to punt as Shannon was carried off the field.

Sitting up in the stands, Dan's mother said the Lord's Prayer and then concluded with: "And please, Lord, don't let him be unconscious long. We'll need him again as soon as Oklahoma gets the ball."

Sports people find it interesting that Walt Disney will be pageant committee chairman for the Winter Olympic games at Squaw Valley in 1960.

Looking over the oft-bumbling officials of the Olympic committee, they know where he'll get his seven dwarfs. His only problem, inspecting the "amateurs," is to find a Snow White.

Lane Will Settle For Elimination Bout with Busso

SYRACUSE, N. Y. (UPI) — Ken Lane's chances for another shot at lightweight champion Joe Brown were only slightly improved today after his split decision win over Lahouari Godhi.

In fact, Lane, a southpaw from Muskegon, Mich., says he will be glad to settle for a bout with Johnny Busso who earlier this week outpointed Brown in a non-title fight.

Friday night's over-the-limit lightweight bout did little to enhance Lane's standing as the number one contender for Brown's crown. He earned the split decision mainly on the strength of his right jab which seemed to keep Godhi, former French lightweight champion, off-side. He won 7-3 on Referee Joe Palmer's card and 5-3-2 in the opinion of Judge Harold McGarth. The other judge, Dick Albino, had it 6-4 Godhi. United Press International scored it 5-4-1 Godhi.

After the fight Lane said he was surprised it turned out a split decision. He complained that Godhi constantly held during the fight which made it look as if Lane were not punching. It did. The referee several times told Lane to step up his pace and several times had to warn Godhi about punching too often.

Junior Chamber To Sponsor Pro Grid Tilt Here

Palm Springs Junior Chamber of Commerce board of directors voted last week to sponsor two local appearances of the Sultans, the semi-pro football team fielded by the Coachella Valley Athletic Club.

Dates for the games are November 30 and December 7 and the games will be played on the High School field if the action is approved by the school board.

Opponents for the Sultans, who list several former Palm Springs Indian gridgers on their roster, will be Torrence on November 30, and El Toro Marines on December 7.

Leahy, the former Notre Dame coach, was telling about the time Dan Shannon, a great Irish defensive end, was knocked out on a third down play against Oklahoma. Oklahoma prepared to punt as Shannon was carried off the field.

Sitting up in the stands, Dan's mother said the Lord's Prayer and then concluded with: "And please, Lord, don't let him be unconscious long. We'll need him again as soon as Oklahoma gets the ball."

Sports people find it interesting that Walt Disney will be pageant committee chairman for the Winter Olympic games at Squaw Valley in 1960.

Looking over the oft-bumbling officials of the Olympic committee, they know where he'll get his seven dwarfs. His only problem, inspecting the "amateurs," is to find a Snow White.

350,000 Expected Sunday

By EARL WRIGHT, United Press International

The National Football League, the nation's fastest growing professional sport, figures to set a crowd record Sunday for the second straight week by attracting nearly 350,000 fans in its six games.

The New York Giants, 2½ point underdogs, expect a record home attendance of about 70,000 for their Yankee Stadium clash with the undefeated Baltimore Colts.

The Browns, leading the Eastern Division, also expect about 70,000 for their game with the Detroit Lions at Cleveland.

AT LOS ANGELES, the Rams have erected temporary bleachers in the huge Coliseum and are preparing to set 105,000 for their game with the San Francisco Forty-Niners. The same two clubs set an all-time NFL attendance mark of 103,368 when they met last season.

The Chicago Bears, who trail the Colts by two games in the Western race, expect their usual capacity throng of 48,500 for their Wrigley Field game with the Green Bay Packers.

The Chicago Cardinals play the Redskins at Washington and the Eagles entertain the Pittsburgh Steelers at Philadelphia in the other games. Even if these two games only average 25,000 fans, the league appears virtually certain to top the six-game record of more than 295,000 paid it set last week.

NEW YORK, 4-2, was a 10-point underdog last Sunday when it upset Cleveland 5-1 and tightened the Eastern race. If the Giants upset the Colts and the Lions 14-1 surprise the Browns, New York and Cleveland will be tied for the Eastern lead. If the Giants win and the Bears 4-2 defeat the Packers 14-1, Baltimore will be only one game in front of the Bears.

The Browns are favored by 9 points, the Bears by 14, the Rams by 7, the Redskins by 3 and the Eagles by 1½.

First Round—Ed Yeomans d. Alfred Miller, 6-0, 6-1; Jack Frost d. George Goman, 15-13, 6-3; Francis Gray d. Bill Hollingsworth by default; Amos Ott d. Frank Chilton, 6-4, 6-2; Bob Abbot d. John Kriska, 6-4, 6-3; Bill Robertson d. Martin Cornica, 6-0, 6-1.

Second Round—Ed Yeomans d. Alex Jablow, 6-2, default; Bill Robertson d. Bob Abbot, 6-2, 6-1.

First Round—Bob Kelleher and Jess Millman d. Bernard Brown and Martin Cornica, 6-0, 6-1; Francis Gray and Cliff Robinson d. Roger Williams and Alfred Miller, 6-0, 6-1.

JIM WILLIAMS of the Marietta, Ga., Country Club, is being billed as probably the lightest pro in golf. Five feet, eight inches, Williams with his cleats on scales 120 pounds. But he's proof that you don't have to be a bruiser to be a fine player. Jim once shot eight birdies in a row to tie Ted Kroll's PGA record.

Kent Werges Selected to Sing In College Choir

Kent Werges, son of Mr. and Mrs. E. C. Werges of 31-777 Avenida La Gauda, Palm Springs, has been selected to sing in the Whitworth College A cappella choir. Kent, a junior at the college, where he is a music major, will sing in the bass section.

The Whitworth College A cappella choir, entering its second year under the direction of Professor Milton Johnson, is well known throughout the northwest for its fine performances.

The choir will go on four April 19 in the State of Washington and the province of British Columbia, during which time they will perform 16 times for high school and church groups. They are also scheduled to appear at convocations of students from four Spokane area schools.

During the year the choir sings for various events both on the campus and off it, including regular concerts, college chapel, and before service organizations.

EL MIRADOR HOTEL'S Bavarian Beer Festival got off to a foamy start as well as an auspicious start last Wednesday evening. General manager Dick Vanter Veer, above, dispenses the first steins of beer to Mayor Frank Bogert and his lovely wife, Janice, by way of raising the curtain on the weekly funfest. The festival brought

a bit of Bavaria back to the desert resort city for a season-long stay. Its companion spectacular, the Sunday Brunch, tees off on its 6th straight season tomorrow at noon. Singing-Guitarist Tex Kidwell will again hold down emcee honors and Billy Allen and his orchestra will be back to supply musical backing. (Hug Photo).

Scorpions Car Club Receives More Praise

The Scorpions Car Club of Palm Springs, which many times within the year receives praise from citizens for help given by members on the highway, did it again this week, only this time for helping someone right here in Palm Springs.

In a letter to the Palm Springs Police Department, Mary P. Young of 1428 East El Alameda, praised the young man who "showed unusual courtesy in helping me when I had a flat tire on Indian Avenue." She enclosed the famed Scorpions courtesy card with her letter.

When a member of the Scorpions or the T-Timers helps a motorist on the road, the motorist is given a card which is inscribed with the name of the member's organization. On the back of the card it requests that the card be sent to the Palm Springs Police Department.

She is survived by her two sons, Howard D. Fuller and Darrell Fuller, both of Palm Springs, and one daughter, Mrs. Vera Cummins, Chico, Calif.

Los Angeles Schools

Bond's Parking Plan Endorsed

Villager George Bond's new parallel parking system for driver education has won the endorsement of Los Angeles City schools.

Cecil G. Zaun, safety supervisor for the Los Angeles Board of Education, said the "Bond parallel Parking System" has been accepted in its entirety by Los Angeles schools.

Zaun, who consulted here this week with Bond, Palm Springs school district transportation supervisor, said the method will be demonstrated to driver training teachers and employed in their classroom instruction.

The Los Angeles safety supervisor, nationally recognized as an outstanding consultant in the field of driver education, also plans to have a film made of the parking system for national distribution. Zaun was accompanied here by Warren M. Eppinette, driver training specialist with the Los Angeles schools, and Melvin T. Schroeder, driver instruction superintendent for Los Angeles schools.

Crime and Punishment

GRAND HAVEN, Mich. — (UPI) — Three Grand Haven area juveniles recently retraced their steps along suburban Lakeshore Avenue, with brooms in hand and under the watchful eye of a deputy sheriff.

Ottawa county sheriff's officers apprehended the youths after they had smashed beer bottles along a one-mile stretch of the road.

Spanking New 'Gavel'

JACKSON, Miss. — (UPI) — Judge W. T. Horton has a new kind of "gavel" he uses when presiding in youth court. Shaped like a paddle, it quickly commands the respect of juveniles.

Horton said he also "prescribes" it to parents as "medicine" for their delinquent children.

"Like all other medicine it should be taken as needed," Horton said. "I tell parents to be sure a child is guilty before spanking him; never spank him when angry; don't apologize after spanking him; and use the paddle as a reality, not as a threat."

Hotels Endorse Gay Nineties

PALM DESERT — The "Gay Ninety Days," a community event scheduled for Dec. 3 through 7, and sponsored by the Chamber of Commerce, was voted unanimously support at the first meeting of the season of the Palm Desert Hotel Association.

Members agreed to provide sufficient rooms for guests at convention rates and by subscription to underwrite the promotional expense of the affair.

The group also expressed the desire for a full-time manager for the Chamber of Commerce, explaining that they could best cooperate with the Chamber under such a program.

A previously adopted resolution of the Association that no commercial rate signs be displayed in the community, was also discussed and upheld by the group.
